### **Our GRAND KNIGHT'S Message**

Brothers,

What a fun first few months it has been serving the brothers of #4188, our parishes, and all of those in need. It was an honor being nominated and elected as your Grand Knight. I view myself as a "servant leader" to all of you. I welcome any and all feedback and suggestions you might have. I empower you to be a leader and help make our council better than it was yesterday. And, I look forward to continuing to serve you and our Lord.

Since the start of our fiscal year, we have been doing a lot of good works as part of our "Faith and Action" program and I would like to touch on the activities we have done.

"Faith" – We have set up "roundtable" coordinators at GA, COL, and SEAS. These individual's meet with the Pastor's on behalf of #4188 and understand the needs of our parish. This has led to our brothers helping at various events. I personally feel that we are involved more than ever in all three parishes. Another item I want to touch on is our vocations. In November, we approved \$1,000 to be given to two seminarians. As you are aware, supporting our priests (and future priests) is a top priority.

"Family" – Every other month, we donate \$900 (\$300 to each parish) to St. Vincent de Paul to help provide food to families in need. We also support "Keep Christ in 'Christ'mas" and recognizing families that perform wonderful deeds in His name.

"Community" – The biggest contribution we have made in the category has been our "Coat's for Kids" campaign. We donated a total of \$1,500 in coats to those in need. We have also supported Oktoberfest at GA, the Bishop Foley Alumni, GA Catholic School, and many others. In all, we have donated items or supported 11 different groups. We even donated teddy bears to children at Children's Hospital.

"Life" – Every life is valuable and treasured by Him, even those that are unborn. We have increased our attention in supporting "Mother and Unborn Baby Care," the "Right to Life" dinner, and the "Baby Bottle" programs at our council meetings.

We support these causes in two main ways. First, we volunteer thousands of man hours to raise money through working fish fry, BINGO, 4<sup>th</sup> of July parking, and the list goes on. Second, if we can't volunteer, we support the functions by eating fish, attending the Foley Golf Outing, attending Oktoberfest, joining in for a Council bus trip to Greek Town, etc.

Without you, we wouldn't exist. Thank you all for your continued support of our mission.

Vivat Jesus!

See the GA -AD John M. or sign up in the tournament workers schedule book. Volunteers schedule should be available soon, and will be at the entry table most anytime during the tournament. ## **Council Building Association Report**

As 2018 comes to a close, our hall has continued to be a busy place.

Outside of Knight's activities we have been fairly busy with weekend rentals and several funeral lunches.

The physical building continues to hold well. Looking forward, we are trying to forecast any future repairs and possible updates that may be needed, to continue to serve our customers the best we can.

The Clawson 4188 Building Association Inc. was formed many years ago to own and operate the building and grounds. All members of the council are by default members of the Association. The Association Board meets at 7:00pm on the first Monday of the month.

**The most recent Right to Life 40 day prayer vigil at the Planned Parenthood office, Ferndale, expired in early November. Nancy Peterson of MAUBC sent the following Campaign Vigil Wrap Up email on November 6, Thank You Nancy.**

*Greetings faithful prayer warrior!*

*First, I'd like to share this devotional from a recent 40 DFL HQ email:*

*<<Father, we have done battle with the power of evil, and therefore we can have compassion on those still within its grip. We have been freed from the kingdom of darkness, and therefore we can bear witness to your Kingdom of Light. May the witness of all your people through these 40 Days for Life bear abundant fruit.>>*

*Praise God that we had a healthy and safe fall vigil, and that through your commitment and sacrifice, we completed this 40-day challenge having filled 249 of the 480 available hours, or about 52%. A total of 441 saves have been reported so far throughout the campaign! I am so thankful for all you did to help.*

*I am so thankful for each and every person who came out to pray, and want to welcome again the five or so new participants who joined us. Extra thanks to Joan and George for covering one hour EACH weekday, and Terry for covering an hour EVERY DAY of the campaign!*

*Looking forward, if you would find it worthwhile to meet and discuss strategies to fill more hours (we are pretty consistent each time at just over 50%), I would appreciate and welcome your input. I'm also looking for a co-leader for the next campaign and will be praying for guidance from the Holy Spirit - so look out if that person is you!!!*

*IOU a couple "biggest blessings" shared by our participants, but will save that for another follow-up email.*

*I pray that we will all have peace in our hearts tonight and in the coming days knowing that we have faithfully prayed, fasted and witnessed for Life.*

## Donated bike cart gives Clawson family freedom

By: [Sarah Wojcik](#) | [Royal Oak Review](#) | Published September 4, 2018

*"CLAWSON — On Aug. 28, the Clawson Knights of Columbus presented a local family with a custom bike cart during their weekly bingo night.*

*For the last three years, the Smith family hasn't been able to go on family bike rides. Debbie said she reached out on Facebook to inquire about ways to raise funds...*

*...That was when Carol Reeser, of Madison Heights, saw the post. Her husband, John Reeser, served as a former grand knight with the local Knights of Columbus group. "I said, 'Don't even do that. Let me ask the Knights, and let me talk to John.' They said, 'Oh, consider it done.' It was just a matter of asking," Reeser said. "We've known the (Smith family) for a very long time. That's why this is so emotional. They're a very special family." The Smiths and the Reesers both attend Guardian Angels Catholic Church, one of three parishes served by the local Knights of Columbus group.*

*Adam Rada, the recently elected grand knight, said that the council unanimously approved the purchase of the \$800 bicycle cart for the Smith family."*

### **Knights of Columbus “BENEFITS NEWS”**

#### **“UPDATE YOUR BENEFICIARIES”**

#### ***UPDATE YOUR BENEFICIARIES!***

Sometimes it is easy to overlook the simplest of things.

Take, for example, the beneficiaries on your life insurance policies. If your policy was applied for and issued several years ago, it may very well be that the person you originally selected as the beneficiary is no longer the person you would want to receive the policy proceeds. If you bought the policy when you were single, for example, you may have named your parents as beneficiaries. If you have since married, your policies should be updated to reflect your spouse as beneficiary. Maybe you’ve had children since, who are not named on the policies.

Most people list a primary beneficiary, who is specifically designated as the first in priority to receive policy proceeds. We also encourage the naming of a contingent beneficiary, an alternate person designated to receive policy proceeds, usually in the event that the original beneficiary pre-deceases the insured.

I routinely call all of my policyholders for annual review appointments, usually near the anniversary date of your policy – that is, the date it was originally issued. One of the matters that I’ll discuss during this review is the status of your beneficiary designations. If they need updating, and they often do, I can complete the paperwork during that appointment.

I look forward to meeting with each of you to discuss your family’s needs.

Jerry Jones pointed out that I left him off the list for 2017, so I want to correct the omission, and also for the McGivney fund.

What was the McGivney fund has been replaced by the seminary scholarship fund, so if you gave to the McGivney fund or the seminary scholarship fund your name appears below:

We will start the new breakfast season in November this year, and because the second Sunday in April falls on the Tootsie Roll drive weekend, we won't have a breakfast in April 2019.

**Previously "eBlast" Council news /event updates from GK Adam Rada, (see note below)**

Mon, Sep 24, 12:43 PM

Brothers,

Thank you to all the brothers and their wives/family/friends that attended our first bus trip downtown. I also want to thank brother Terry for his suggestion and help to hold a 50/50 on the way down to Greek town. We raised \$132 and the winner, Helen (from BINGO) donated \$20 back to the Knights. Please thank her tomorrow!

According to my initial figures, we had 55 people register to go on the trip. Of that, 3 people paid and did not attend (Tom, Kay, Carol B). 2 others did not pay and did not show up. We had a total of 50 people on the bus and made an estimated \$1352 for the council and our hall.

At our next meeting, I would like to discuss refunding the 3 individuals that could not make it on the trip. They did provide notice that they would not be attending.

I would also like to plan our next trip in the spring. A lot of the people on the trip suggested Fire keepers. Due to the distance, we break even at 30 people instead of 23. We would have to leave two hours earlier (return at the same time) and we get 4 hours of gambling instead of 5. BUT, you get \$20 back in gambling instead of \$15 and you also get \$5 for food. Something to discuss at our next meeting.

Again, thank you all for making this fundraiser a success!

Vivat Jesus!

Adam GK

Aug 24, 2018, 8:22 AM

Brothers,

We are about to make this smile even bigger! As we approved at our July meeting, the bike cart/trailer for Madysen Smith (17 year old parishioner) was ordered. I received an email that the trailer was shipped and is due to arrive at my house on Monday.

I talked with her parents and the family will be at BINGO on 8/28/18 to receive the cart. I would like it if every brother possible could come for the presentation. I want to show the BINGO players what we do with our profit from BINGO and other fundraising activities. I want all of you to take credit for the great things we do.

Tuesday is going to be a great day and I look forward to seeing you. I am going to plan to present the cart at 6:15pm. If you can show up at 6pm, that would be great.

Vivat Jesus!

Adam, GK

Brothers,

Please see the message below from our Worthy DGK, Terry Clayton. A huge thank you to all our brother knights that helped make this fundraising event a great success. Your names are listed below. In all, we raised \$1,393 for our hall, our domestic church, and those in need! I appreciate all the hard work and coordinating by Terry Clayton, Mike McAuliffe, and Dave Laru. From what I hear, we had to turn away people in the evening. I wish I could have been there.

Gents, this goes to show what this council is capable of doing in a relatively short amount of time with great communication/collaboration. The "free will" idea by Brother John Avery was very successful. Thank you for the suggestion, John. Let's use this event to drive further brainstorming ideas on how we can raise funds, outside of BINGO. With one year under our belts for the 4th of July, let's think about how we can continually improve this event year over year.

This event touched on all four of the Knights of Columbus principles.

1. Charity - \$1,393 raised
2. Unity - We did this "together." In fact, 17+ of you.
3. Fraternity - We are a group of Catholic men devoting our time to help those in need.
4. Patriotism - I don't think I have to explain this one.

Vivat Jesus!
